MBOWA MATRIC SCHOOL:

AMENDED SENIOR CERTIFICATE (May-June Exams)

At Mbowa College you may either upgrade your marks or re-write the subjects not achieved during previous matric exams.

Learners do not necessarily need to do all subjects or attend classes on full time basis.

Our time table is very flexible in order to suit learners with other engagements.

Lessons are offered during day Monday to Saturday with a minimum of 1hr 30min per lesson.

Our medium of communication is English though educators may use some other official languages to make learners understand the concepts better.

Learner progression is determined by the completion and competence in the assessment tasks given included -assignments, projects investigations, research and do presentations.

Please Note:

Failure to attend lessons for whatever reasons shall not exempt a learner from paying a full total school fees unless a de-registartion request is made in writing.

OLD SYLLABUS | subjects

Mathematics Maths Literacy Accounting	English Isizulu History Geography	Physical Science Business Studies Economics Life orientation	Tourism Life Science CAT (Computer Application Technology)
